

Padmaja Prabhu
Deputy Director - Chemistry

KEY APPOINTMENTS

Padmaja Prabhu appointed as the Deputy Director – Chemistry

Padmaja is an analytical chemist. She has her masters and doctoral degrees in Analytical Chemistry from the University of Mumbai. She has begun her journey in JRF with an over two decades of vivid work experience with Pharma, Chemical, and Equipment Vendor companies with some of her previous employers like Sekhsaria Chemicals, Cipla Limited, Perkin-Elmer, and Alembic Pharmaceuticals Ltd.

We heartily welcome, Padmaja in our JRF Global family!
