

Sameer Navalgund, Director - Global

## KEY APPOINTMENTS

### Sameer Navalgund appointed as the Director – Global

Sameer is an Analytical Chemist by training, with an MBA in HR. He has commendable past experience of leading Customer relationship management and has worked as leadership roles for Customer support at Wipro Biomed, ISP Corp, and US Pharmacopeia. He was working as the India Head for US Pharmacopeia in Hyderabad, responsible for their P & L. He has extensive expertise in the areas of Research and Development, Quality Control, Stability testing and bio-equivalence activities. He will be based in Vapi, Gujarat and has the responsibilities for JRF's Global operations, including business development, marketing, brand building & day-to-day operations of all our units. We heartily welcome, Sameer in our JRF Global family!
